**CHILI:** Everyone loves a warm bowl of chili on a chilly day! Throw a Chilly Chili Cook-Off. It is a different twist on potluck. Everyone brings a pot of chili- and it is \$1 per bowl. Create different winning categories and ask everyone to make a heartfelt donation to cast a vote.

#### Tap into all your networks

Fundraising is not one size fits all, so try to come up with fun ideas for each different group of people in your life. Make a list of all the different social groups you're part of, both online and off: church groups, coworkers, classmates, alumni, etc. Sometimes support can come from unexpected places:

**Take advantage of significant dates.** Use birthdays and anniversary dates as reasons to donate- for example, your birthday is on the 10th of the month, ask donors to donate \$10 on that day.
